EGEMER MERMER GRANİT / 1997

Firmamız, 1997 yılında Muğla Dalaman'da kurulmuş olup, 2002 yılında Düzce'de açtığı şube ile hizmet ağını genişleterek faaliyetlerine devam etmektedir.

Egemer Mermer olarak, yaşam alanlarının en seçkin bölümlerinde üstün kaliteyi estetik dokunuşlarla buluşturan özel tasarımlar üretiyoruz. Düzce başta olmak üzere birçok ilde, profesyonel uygulamalarımızla projelerinize değer katıyor; her detayı titizlikle ele alarak kusursuz sonuçlar sunuyoruz.

Doğal taşın zamansız zarafetini kendi tasarım anlayışımızla birleştiriyor; tezgah, zemin ve döşeme gibi yaşam alanlarının en önemli unsurlarında sanat eseri niteliğinde çözümler üretiyoruz. Kaliteli ürünlerimizi yüksek işçilik standartlarıyla bir araya getirerek, kullanıcı deneyimini mükemmelleştiren, uzun ömürlü ve prestijli mekânlar tasarlıyoruz. Egemer Mermer olarak hedefimiz, her projede estetik, dayanıklılık ve fonksiyonelliği buluşturarak sizlere daima en üst seviyede hizmet sunmaktır.
